

How to Use: Bill & Subscription Tracker

A buyer-friendly guide for getting the most value from the Bill & Subscription Tracker spreadsheet and printable PDF.

Purpose	Gives the buyer one place to track recurring bills, subscriptions, due dates, renewal dates, and cancellation opportunities.
Best for	People who lose money to forgotten subscriptions or irregular bills.

What to enter

- Bill or subscription name
- Cost
- Frequency
- Due date
- Payment account
- Status or cancellation notes

Step-by-step instructions

1. Go through bank statements and list every recurring payment.
2. Enter the cost and frequency for each item.
3. Mark the due date and payment account.
4. Highlight subscriptions that are unused or poor value.
5. Review monthly and cancel anything no longer needed.

Quick tips for best results

- Annual subscriptions should be converted into a monthly set-aside amount.
- Use calendar reminders for renewals.
- This tracker often finds quick savings without needing more income.

Spreadsheet vs printable PDF

Spreadsheet version	Printable PDF version
Use for automatic totals, formulas, and ongoing edits.	Use for printing, handwriting, or adding to a workbook bundle.
Only edit input cells and keep formulas intact.	Print at actual size or fit-to-page depending on printer settings.

Product positioning note

Recommended bundle pathway: Pairs well with Budget Planner and Net Worth Tracker. This helps buyers move from planning to consistent action.
